## Development Capacity Index for Biotech Companies in New Member States

14 Countries

*Bulgaria*

*Croatia*

*Cyprus*

*Czech Republic*

*Estonia*

*Hungary*

*Latvia*

*Lithuania*

*Malta*

*Poland*

*Romania*

*Slovak Republic*

*Slovenia*

*Turkey*

### Mission

- Provide comparable information to EU institutions and industry
- Create 'Development Capacity Index' (DCI)
- Analyse the growth potential of the biotech industry
- Facilitate biotech and pharma partnerships

### Benefits to the Partners

- Provide data for EU and national policy makers
- Data allows for EU-wide analysis
- National web-based databases
- Database integration in partner websites
- Global biotech portal

VENTURE VALUATION
