

HOW TO UPDATE YOUR PROFILE ON BIOTECHGATE

Biotechgate (www.biotechgate.com) is a global database with over 60,000 life science companies listed. Its purpose is to increase the visibility of life science companies to potential partners and investors.

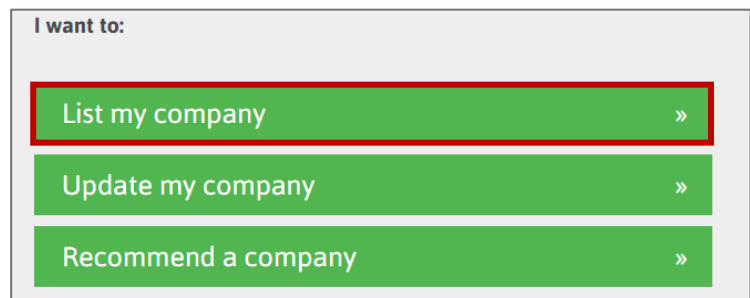

Being listed is free of charge and you can update the profile of your company whenever you wish.

Read the following step-by-step guide to learn how to request listing of your company if it is missing in the database or how to update your existing company profile.

REQUEST TO ADD A COMPANY

Are you missing your company profile in the database? Send us a request to add your profile. To do this, go to https://www.biotechgate.com/add_company and follow these steps:

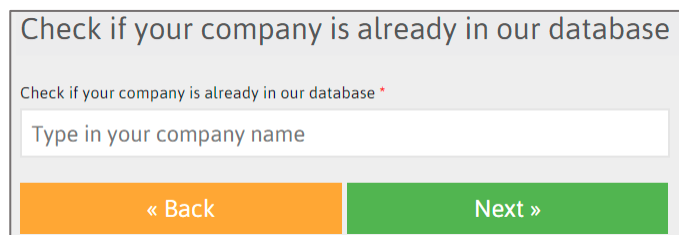

1. Select "List my company".

I want to:

- List my company »
- Update my company »
- Recommend a company »

2. Enter your **company name** in the field to check if your company is already in our database. If a name appears in a drop-down list, it is possible that your company is already listed in Biotechgate.
